

Viewing Member History

Last Modified on 19/08/2016 10:08 am AEST

Quick Steps: Membership > Members > View Member > Actions > History

1. In One Sport Technology select **Membership** and then **Members** from the left menu. Search for a member and view their record

2. Select **Actions** and then click **History**

3. Use the tabs to view the breakdown of your members interaction with the organisation, including Notes, Email Messages, Events Entries and Shop. Click the **View** button, if available, to view more detailed information

Further interactions will be made available in the Member History over the next few months.

- TicketDesq Purchases
- Auctions Purchases
- Reserved Seating History

Please note that membership transaction history can now be viewed in the Member Record under the Financial Tab. The information in this section includes Subscriptions, Payments and Refunds. Any payments for multiple registrations will show as one payment
