

# Removing A Member Type From A Member Record

*Last Modified on 19/08/2016 10:13 am AEST*

**Quick Steps: Membership > Members > Find Relevant Member > Actions > Edit > Membership > Click on the Trash Can Icon > Delete**

1. In One Sport Technology, select **Membership** from the top menu, then **Members** on the left hand menu, search for the relevant member.
2. Against the member record select **Actions > Edit**
3. Select the **Membership** tab within the member record and click the **Trash Can** icon next to the Member Type you would like to remove.
4. To confirm that you would like to remove the selected Member Type, click **Delete**.

The option to remove a Member Type will only become available if the member has 2 or more member types attached to their record.
