

How Do I Set Up Membership Number Options?

Last Modified on 03/08/2016 3:51 pm AEST

One Sport Technology has enhanced the flexibility to allocate membership numbers across organisations.

SportsTG recommend the following settings:

Organisations with Multiple Levels (National, State, Association, Club)

One membership number across all levels.

Top Level

- Syndication: Syndicate
- Allocation: Automatic
- Membership Number Scope: Organisation Wide

Single Level Organisations

- Syndication: None
- Allocation: Automatic or Manual
- Membership Number Scope: Organisation Wide
