Using your existing domain name with your Sports Technology Group website

Last Modified on 16/11/2016 11:10 am AEDT

You will need your Domain name to be pointed to the SportsTG CNAME.

Instructions should be given to your domain hosts to point your domain name to the SportsTG CNAME. This address is: wildcard.sportstg.com

You will need to create 2 DNS records;

- **An A name record from your domain (domainname.com) pointing to 52.64.225.143**
- **A www CNAME record (www.domainname.com) to point to wildcard.sportstg.com**
