

Step 1: Logging In

Last Modified on 15/02/2017 12:31 pm AEDT

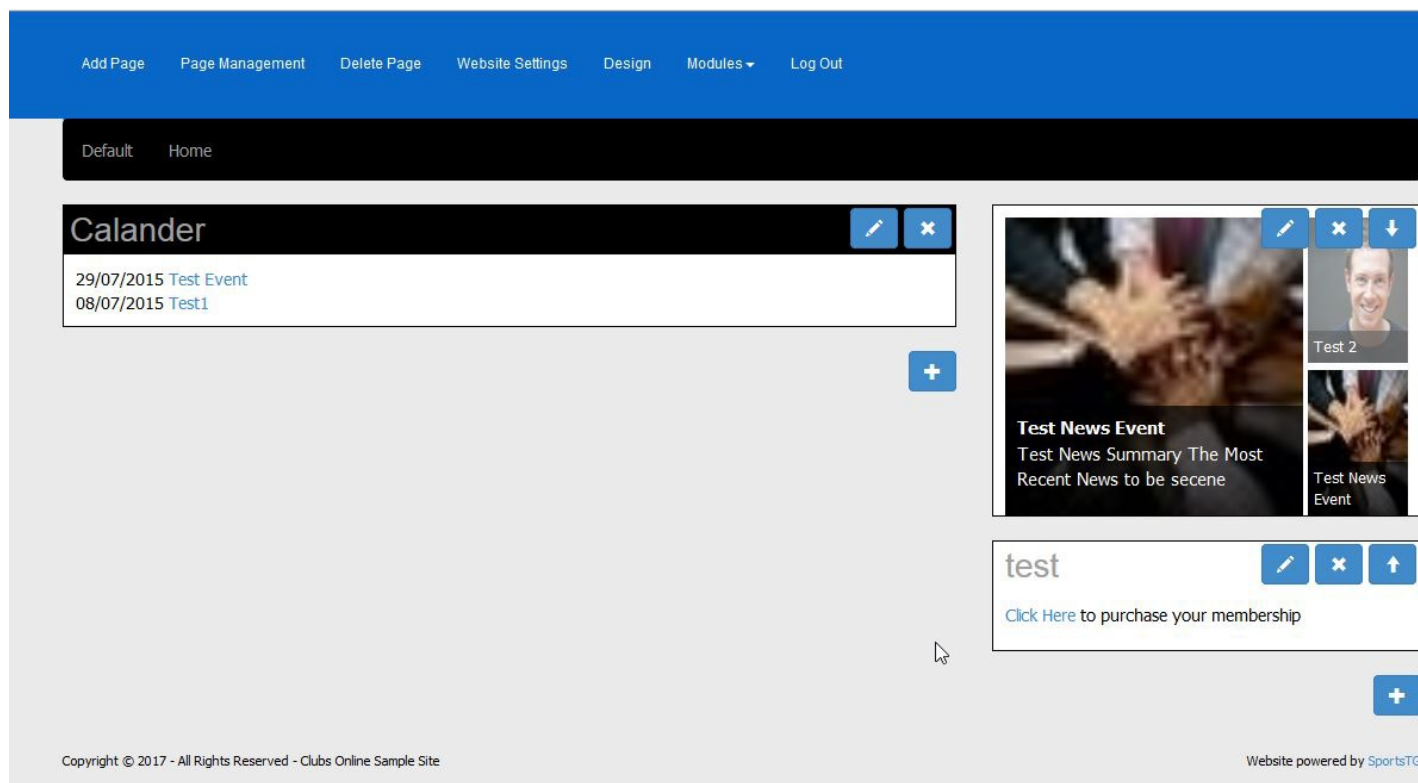

This article relates to Site 2.0

Quick Steps: Website > Front End Website

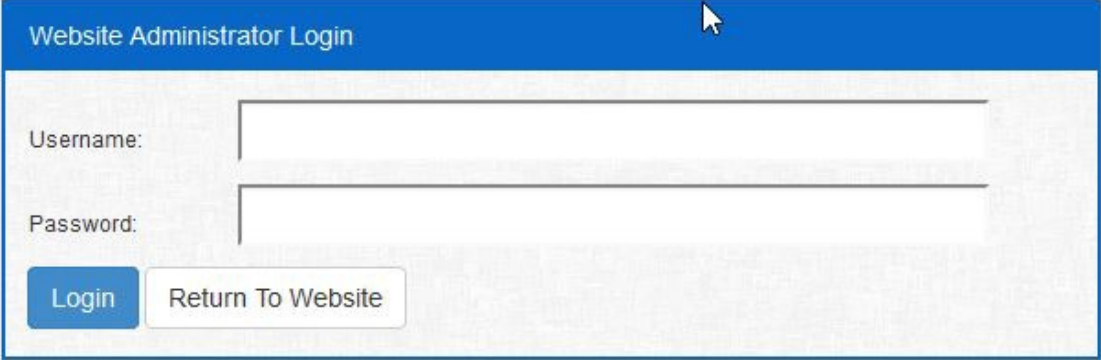

1. To start building your website log in to the SportsTG console at <https://console.sportstg.com/>
2. Click on **WEBSITE**, then click on the icon following icon

This will log you into the administrator view of the website;

In instances where a login screen appears, enter your console Username and Password to proceed past this point.

The image shows a login form titled "Website Administrator Login". It features two input fields: "Username:" and "Password:". Below the fields are two buttons: "Login" and "Return To Website". A mouse cursor is visible over the top right corner of the form area.
