

Sport Settings

Last Modified on 20/10/2016 12:26 pm AEDT

The Match Types refers to the type of match (regular season, finals, junior) and the periods within the match. When selecting the Sport from the Masters Listing the match type will have a default set up. If you want to add a different Match Type to the default please see instructions below:

To add a Match Type click ADD > Enter the Title and press save

Click on the PERIODS button  add in the Period Title example 1st Innings >

Score Titles: 1st > Fill in applicable information > SAVE. You will then need to set the Status to active by clicking on the X

Scoring

Similar to Match Types the scoring has a default score set. If you would like additional score types please click ADD fill in the Title, Code (how it is displayed on the front end), the score value > SAVE

Match Statistics

To add any relevant match statistics to the Sport click ADD > Fill in the required information SAVE > Click on the X under Status to turn the Statistic Online

An example of a match statistic would be 'Hits'
