

Adding an Auction Category

Last Modified on 10/10/2016 12:13 pm AEDT

Categories can be used within Auctions to group items together based upon a product type or theme.

Quick Steps: Go to **Auction > Categories > Add**

Adding an Auction Item:

1. Within the Management Console, select **Auction** from the top menu, then **Categories** from the left menu.
2. Click **Add** at the top of the page and complete the details for the category
3. Once you've completed all information, click **Save**.

Use categories to group your items together on the Auction Portal. Examples include Jumpers, Finals Memorabilia, Historical Memorabilia.
