Adding Players to a Competition

If your Sports Competition is linked through to your Members, then you'll be able to select your members and add them as players to the teams within the competition.

Quick Steps: Go to Competitions > Competitions > Select Relevant Competition > Fixtures > View Relevant Round > Players > Edit > Select Relevant Member Group > Add Players

Adding Players to a Competition:

1. Within the Management Console, select **COMPETITIONS** from the top menu, then **COMPETITIONS** from the left menu.

2. Select the relevant competition, then select **FIXTURES** from the left menu.

3. Find the team that you wish to add players to using the filters at the top to help.

4. Click the **PLAYERS** icon next to the team name.

6. Select a Member Group from the dropdown menu at the top of the page to help sort the players visible.

7. Click **ADD MEMBER** next to the player you wish to add to the team.

TG Competitions

Please Note: Members must have an Active Status in order to be added

Players can also be updated via the front-end by administrators. This allows team administrators to update and amend their team sheet as required
