

Entering Results

Last Modified on 26/10/2016 12:38 pm AEDT

Sports allows results to be entered by the Competition Administrator through the Management Console, or by the Team Administrator or Official through the front-end portal. Adding results through the Management Console allows competition administrators to have full visibility of results, and ensure they are correct before they are entered into the system.

Quick Steps: Go to Competitions > Competitions > Results > Select relevant round > Edit > Save

Entering Results:

1. Within the Management Console, select **COMPETITIONS** from the top menu, then **COMPETITIONS** from the left menu.
2. Select the relevant competition from the listing, then **RESULTS** from the expanded left menu.
3. Click **EDIT** next to the relevant match.
4. Update the Result, enter the Score and add any Match Statistics then click **SAVE**
