

Reporting

Last Modified on 23/08/2016 1:32 pm AEST

Quick Steps: Competitions > Reports > Export

1. Within the Management Console, select **Sports** from the top menu, then **Reports** from the left hand menu

Exporting Fixtures and Results

1. In the **Fixtures & Results** tab, select the relevant filters and click **Export**

Additional Information

Filter: 'Un-submitted/Unconfirmed Results Only' will export fixtures and results where the results have not been submitted and/or confirmed

Document Type: Administrators have the option to export in Excel (XLSX), Excel (XLS) or AAP (TXT)

Exporting Statistics

1. In the **Statistics** tab, select the relevant filters and click **Export**
