

How to Create a 'Members Only' Category

Last Modified on 07/02/2017 11:46 am AEDT

Quick Steps: Shop > Inventory Management > Categories > Select Category you wish to hide from Public View > Un-tick 'Public Display'

In the console you have the ability to create Categories that are only available once a Member has logged in.

1. Login to the One Sport Technology console, and select **Shop** from the top menu
2. Click on **Inventory Management** from the left menu
3. Select **Categories** from the expanded left menu
4. Select the Category or Subcategory to be hidden from public view

5. Select **Actions** from the menu bar, then select **Edit** from the drop down menu

Category Listing

6. Ensure the **Public Display** option has not been ticked. Once a customer logs in, this category will appear on their homepage, but not on the public page.
