

Pop Up Window Tab

Last Modified on 07/02/2017 2:33 pm AEDT

There are 2 steps in creating a Pop Up Window. First you will need to upload the image to the console, second to create the Pop Up Window.

1. Upload the image to appear as a pop up:

Utilities > Documents > Listing > Actions >

Image must be the following dimensions:
420px width x 265px height

The screenshot shows the 'Add Document' form in the SportsTG system. The form is titled 'Add Document' and has a 'General' tab selected. The form fields are as follows:

General		Actions
Name *	<input type="text"/>	
Type *	<input type="text" value="Please Select..."/>	
File *	<input type="button" value="Choose file"/> No file chosen	
Author	Rachel Dennis	

At the bottom of the form, there are 'Save' and 'Cancel' buttons.

Once uploaded, copy the image asset URL highlighted in yellow, from /assets onward:

<https://members.onesporttechnology.com/assets/uploads/2006/documents/IMG-Pop-Up.jpg>

The screenshot shows the 'View Document' form in the SportsTG system. The form is titled 'View Document' and has a 'General' tab selected. The form fields are as follows:

General	
Name	footer
Type	Images for Eventdesq
File	OCF7920D-0FE0-9793-32B40115C16778C4.png
URL	https://memberdesq.onesporttechnology.com/assets/uploads/1899/documents/OCF7920D-0FE0-9793-32B40115C16778C4.png
Author	Christian Magias

2. Set Pop Up Window Tab:

Shop > Shop Settings > Design > Pop Up Window > Actions > Add

The screenshot shows the SportsTG admin dashboard. The top navigation bar includes icons for Membership, Events, Shop, Competitions, Utilities, and Administration. The left sidebar lists various settings categories, with 'Shop Settings' expanded to show 'Design' and 'Pop-Up Window'. The main content area is titled 'Edit Pop Up Window' and contains the following configuration options:

- Enabled:** Radio buttons for 'Yes' and 'No'.
- Content:** A rich text editor with a toolbar and a large text area.
- Pages:** Checkboxes for 'Homepage' and 'Checkout'.
- Buttons:** 'Save' and 'Cancel' buttons.

1. Enabled = Yes
2. Centre the window
3. Select image icon to populate image window
4. Paste image asset URL: /assets/uploads/2006/documents/IMG-Pop-Up.jpg
5. Select location of the pop up window to appear

The image will display every seven days per browser, unless the user clears their browsing history including cookies.
