

Identifying Gift Vouchers - Usage

Last Modified on 25/08/2016 4:00 pm AEST

To determine which order a customer used for their Gift Voucher you are able to now see each deduction of the Gift Voucher.

To do this **Shop > Order Management > Gift Vouchers > Find Gift Voucher > View > Select Usage Tab > See Order ID, Redemption Date, Redeemed By & Redemption Value**

These can be found from any previous order the customer has used as a Gift Voucher
