

# Updating Bank Account Details in Your One Sport Console

Last Modified on 17/11/2016 10:01 am AEDT

SportsTg settle to accounts weekly. Our settlement period runs from Saturday through to Fridays (midnight to midnight) and funds are settled the following Tuesday and usually cleared by the bank within 24 hours of that time (dependent on your banking institution)

For security purposes, your bank account details can only be updated by a SportsTG staff member

In submitting your bank details, you'll be asked for your Organisation ID. This is found in Administration > Organisation Details > General. The Organisation ID is the number which displays under ID

You will also be asked to provide the details of another authorised administrator in your organisation that in the event we need to verify the bank information they will be able to do so

Please note that bank details are updated each Friday and can take up to a week to appear in your console
