

Change in Support Phone Number

Last Modified on 20/10/2017 3:52 pm AEDT

SportsTG are moving multiple existing support lines to a single support line that is more accessible to and equitable for our clients throughout Australia and New Zealand.

Some clients have already started using the 1300 and 0800 numbers and we will next week retire the 9426 2600

Support lines will now be as follows: AU - 1300 139 970 NZ - 0800 808 202

Online requests can still be submitted via the Help Centre at: <http://help.sportstg.com> - where you will also find extensive self-help guides and advice.
