# Membership Redesign Comparison

Last Modified on 18/02/2021 12:55 pm AEDT

Below is a brief summary of the differences between the new v old membership design (released in Feb 2021).

The form itself has pretty much the same flow as before - just the UI design is slightly different with a fresh new look and a cleaner design.

NOTE: the comparison below is just of the major parts of all forms - depending on the organisation they may also have other pages for members to fill out before or after these sections.
