

# Adding an External link to the Main Menu

Last Modified on 16/12/2024 11:53 am AEDT

1. Within the WordPress Dashboard, go to the Menu Settings

2. Make sure you select the "Main Menu" option

3. Click and expand the Custom Link Option from the different types of Menu Items

4. Enter in the URL you want the custom link to take the user to, and give your custom link a label eg. "Registration"

The screenshot shows a form titled "Custom Links" with a dropdown arrow. It contains two input fields: "URL" with the value "https://passport.sport" and "Link Text" with the value "Registration". Below the "Link Text" field is a button labeled "Add to Menu". A red dashed box highlights the "Add to Menu" button.

5. Once you have done this, the custom link you just added will appear at the bottom of the Menu Heirachy

The screenshot shows a menu configuration interface for "Main Menu". It lists several menu items with their types and a dropdown arrow on the right. The items are: "About Us" (Page), "About SportsTG" (sub item, Page), "About Stack Sports" (sub item, Page), "Sample Menu" (sub item, Custom Link), "Sample Page" (sub item, Page), "GameDay Bronze" (Page), "GameDay Silver" (Custom Link), "GameDay Gold" (Custom Link), and "Registration" (Custom Link). A red dashed arrow points to the "Registration" item. Below the list is a section titled "Menu Settings".

6. Click and Drag the custom link where you would like it to sit in the Menu's Heirachy.

Menu Name

Drag each item into the order you prefer. Click the arrow on the right of the item to reveal additional configuration of

- About Us Page ▾
- About SportsTG *sub item* Page ▾
- About Stack Sports *sub item* Page ▾
- Sample Menu *sub item* Custom Link ▾
- Sample Page *sub item* Page ▾
- GameDay Bronze Page ▾
- GameDay Silver Custom Link ▾
- GameDay Gold Custom Link ▾
- Registration Custom Link ▾

**Menu Settings**

Auto add pages  Automatically add new top-level pages to this menu

*The dotted lines indicate where it will sit in the menu. If it is indented underneath another item, then it will appear in the drop down menu as a sub item*

## 7. Front end

The screenshot shows the front end of the Stack Sports website. The top navigation bar is dark blue with the Stack Sports logo on the left and a search icon on the right. The menu items are: ABOUT US, GAMEDAY BRONZE, GAMEDAY SILVER, GAMEDAY GOLD, and REGISTRATION. The REGISTRATION item is highlighted with a red dashed box. Below the navigation bar is a large promotional banner for the Bronze GameDay Website. The banner features a laptop displaying the website interface and text that reads: "Set up from \$2,000 ex GST (AUD)", "Hosting from \$588 p.a. ex GST (AUD)", and "Bronze GameDay Website". To the right of the laptop, there are three columns of text describing the website features: "Bronze GameDay Website" (listing features like sticky menu and club logo), "Fixture Integration" (describing the ability to set up competitions), and "Online Shop Now Available!!" (mentioning WooCommerce). Below the banner is a footer area with logos for CAPTAIN U, STACK, SportsTG, ilk, and GAMEPLAN, all powered by Stack Sports.
