

Header - Club Ribbon - Add On

Last Modified on 16/12/2024 2:21 pm AEDT

The Club Ribbon displays at the top of your website, beneath the Promo Ribbon, but above the header and main menu. It can be used to display logos of clubs within your Association.

Select the **Club Ribbon** tab to access the Club Ribbon settings

The screenshot shows the 'Header' settings page. At the top, there are four tabs: 'Main Header', 'Promo Ribbon', 'Club Ribbon' (which is highlighted with a red box), and 'Website Link Menu'. Below the tabs is an 'Overview' section with a 'help' link. The main content area is divided into two sections: 'Show Club Ribbon' and 'Club Logos'. The 'Show Club Ribbon' section has a 'Show' toggle switch that is currently turned on. The 'Club Logos' section contains a table with one row. The table has three columns: 'Image', 'Label', and 'Link'. The 'Image' column contains a small shield-shaped logo. The 'Label' column contains the text 'Bitter Vics'. The 'Link' column contains the URL 'https://arass.cerberus.fspdev.com/'.

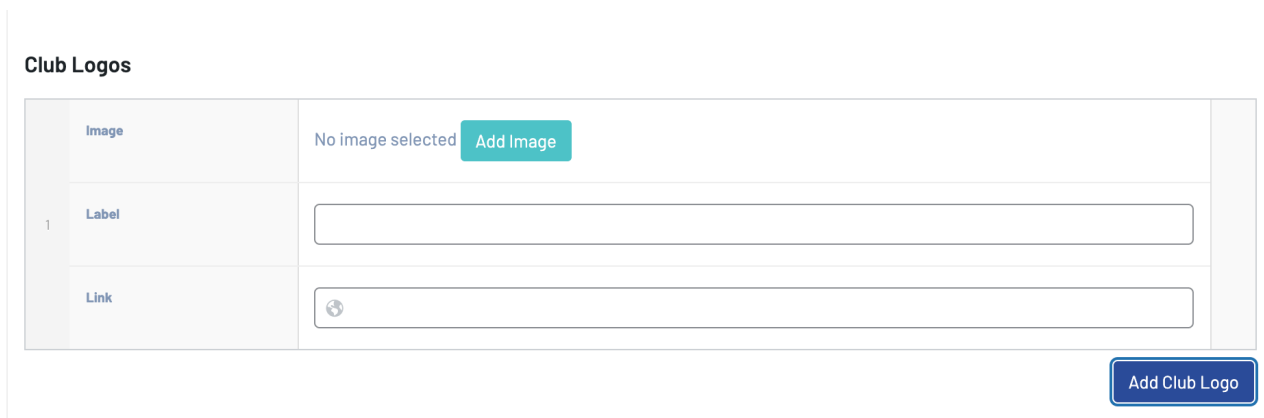

Show Club Ribbon

Toggle the switch to Show to display the club ribbon.

Adding Club Logos to the Club Ribbon

Click the Add Club button to add a new club logo.

A box will display to insert the club's logo image, label (club name) and link (club name text will link to this site)

The screenshot shows the 'Club Logos' settings page. It features a table with three rows: 'Image', 'Label', and 'Link'. The 'Image' row shows 'No image selected' and an 'Add Image' button. The 'Label' row has an empty text input field. The 'Link' row has an empty text input field with a globe icon on the left. At the bottom right of the page, there is a blue button labeled 'Add Club Logo'.

Click the Add Club Logo button to add another club to the Club Ribbon or hover over the new item you have added to add another line or remove a line using the '+' and '-' indicators.
