

# Tiles

Last Modified on 10/02/2025 12:19 pm AEDT

The Tiles section gives you the ability to create three call to action Tiles.

Navigate to the Tiles tab and click the HIDE/SHOW button. Select the section sort order for the home page of your site, and choose a background type - Transparent, colour or image.

Input the relevant Tiles you wish to use. You can display up to three Tiles here.
