

Counter - PREMIUM

Last Modified on 12/02/2025 2:21 pm AEDT

NOTE: This feature is part of the PREMIUM tier. To check if this is available for your website, [check Your Website Features Dashboard](#).

The Counter can be used to display the number of members your organisation currently has as well as a way for others to join if they wish to, which you can link to a registration form etc. Or sales, or donations or any other form of counting.

NOTE: the Counter does not automatically update when a participant joins as this is not linked to your database - it has to be manually updated as needed.

1. Under the **SECTIONS** header click on the **COUNTER** tab.
2. If this panel is not set to show on your website yet, then make sure you click the button to **SHOW** this widget on your website and **adjust the order** of where you would like this to sit within your website.
3. You can also add a specific background image, transparency or colour for this panel.

The screenshot shows the configuration interface for the Counter widget. At the top, there is a navigation bar with tabs for Banner, Tiles, Countdown, News, News Slider, Match Centre, Social Feed, Video Feed, Counter (selected), GameDay Events, Events, CTA, Partners, Additional Partners, and Custom Content. Below the navigation bar, there are several configuration panels:

- Overview:** A blue box with a 'HELP' icon and text: "A member counter is a great way to show how popular your club is and encourage people to join."
- Show Panel:** A section with the text "Show or hide this panel" and a "Show" button.
- Panel Order (1-99):** A section with the text "1 = top of page" and a text input field containing "14".
- Background Type:** A section with the text "Select type of background you want display for the counter section. Set your options below." and three radio button options: "Transparent (scrolls over site background image in Your Website Features)", "Colour" (selected), and "Image".
- Background Colour:** A section with the text "Set a custom colour for this section" and a "Select Color" button.
- Background Image:** A section with the text "Set a background image for this section, will override background colour." and "No image selected" with an "Add Image" button.
- Heading for the section:** A section with the text "This heading is for the Counter section" and a text input field containing "Counter Heading".
- Heading Colour:** A section with the text "Set a custom colour for heading in this section" and a "Select Color" button.

4. Input a title for this page panel (e.g 2020 Members)
5. If you wish to add a line of how to join etc, you can put this under the title line.

Title

The title will display at the top of the panel.

2020 Members

6. Input the value you currently have and the label title. This is a free text field allowing you to

enter symbols like '\$'. Both fields will display in the centre of the panel.

E.g, if recording all time members this could be just "Members". If recording new members for just this year it could be "New Members in 2020" etc.

Counter

The counter will display in the centre of the panel

Counter Number 3064	Counter Label Members
------------------------	--------------------------

7. Input a title for the button and a link to where participants can register, get more information etc. This button will take a participant to another website, registration form etc if they want more information or to become a member.

Title

The title will display at the top of the panel.

Description

Counter

The counter will display in the centre of the panel

Counter Number \$45,645	Counter Label raised since 1 January 2024
----------------------------	--

Button

The button will display to the right of the panel.

Counter Button Text Donate	Counter Button Link https://stackcommercepro.fspdev.com/
-------------------------------	--

8. Once done, click **PUBLISH** in the top right hand corner of the webpage.
