

Footer: Content Columns

Last Modified on 16/12/2024 2:47 pm AEDT

Footer Content Columns are the links that appear at the bottom of your website in the footer where you can link people to specific pages, quick links to other websites, etc.

In relation to the **columns**, you can have one column as free text where you can put whatever information you wish - this is mainly used for 'contact us' details, while the other three columns are links to other websites, pages etc.

In relation to the **content rows** within each column you can have between one and eight rows - any more than eight links per column can make the footer display incorrectly.

1. Once you are logged into your website, scroll down to the FOOTER section. Select this section to expand it.
2. Scroll to CONTENT COLUMNS.

The screenshot displays the 'Content columns' configuration interface. At the top, a blue header reads 'Content columns' with a 'help' link and a sub-header 'The footer contains up to four columns. Three with links and one free text.' Below this, four columns are visible:

- Footer Column 1:** Contains a table with 3 rows. Each row has a 'Label' field (e.g., 'Col 1 Row 1') and a 'Link' field with a URL icon and 'https://stackcommerce.fspdi'.
- Footer Column 2:** Contains a table with 2 rows. Each row has a 'Label' field (e.g., 'Col 2 Row 1') and a 'URL' field with a URL icon and 'https://stackcommerce.fspdi'.
- Footer Column 3:** Contains a table with 4 rows. Each row has a 'Label' field (e.g., 'Col 3 Row 1') and a 'URL' field with a URL icon and 'https://stackcommerce.fspdi'.
- Footer Text Column:** Contains a 'Contact details' section with the text 'Enter your contact details here.' Below this is an 'Add Media' button, a 'Visual' tab, and a rich text editor with a menu (File, Edit, View, Insert, Format, Tools) and a text area containing 'GameDay Level 12/565 Bourke St Melbourne VIC 3000'.

'Add Row' buttons are located at the bottom of each of the three link tables.

3. Input a heading for your first column and click **ADD ROW** to input your first link.
4. Input a heading for this first link and then add in the website link for this page, website etc.

To remove a row from a column, however over the row and click the minus icon against the row

and click remove.

7. Input a heading and content for the last column.

This is the free text column where you can put anything you want in here - most organisations use this for CONTACT US information.

8. Once all columns have been completed, click PUBLISH at the top of the page to save these changes to your website.
