

# Including Images in Your Welcome Page

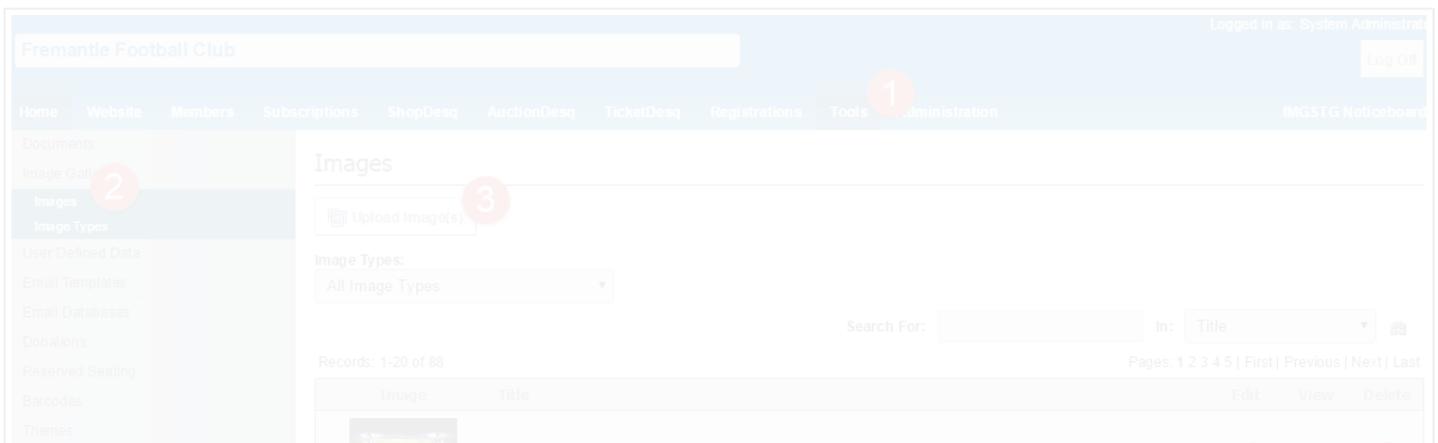

Last Modified on 19/08/2016 12:53 pm AEST

Images are a great way to draw your customers in to bidding on items. It also gives you another opportunity to promote your brand and customise your Auction portal.

Example:

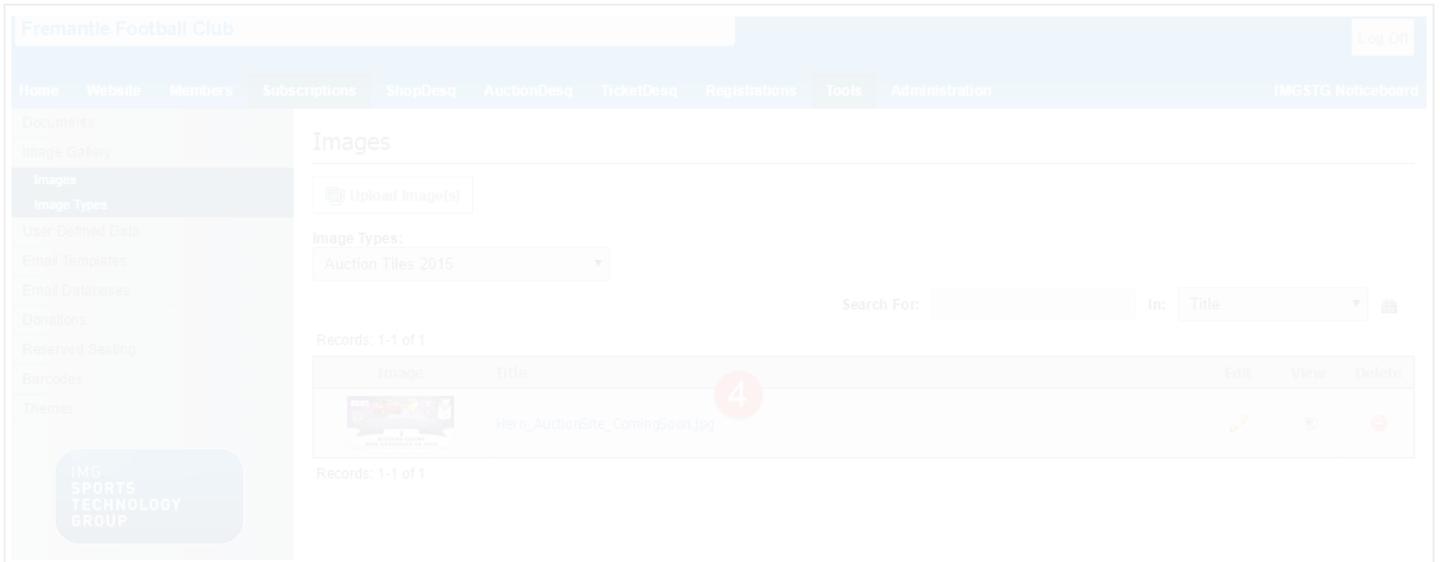

To do this you need to Upload your Image in **TOOLS** from the top menu then select **IMAGE GALLERY**, then **IMAGES**, and then press **UPLOAD IMAGES**

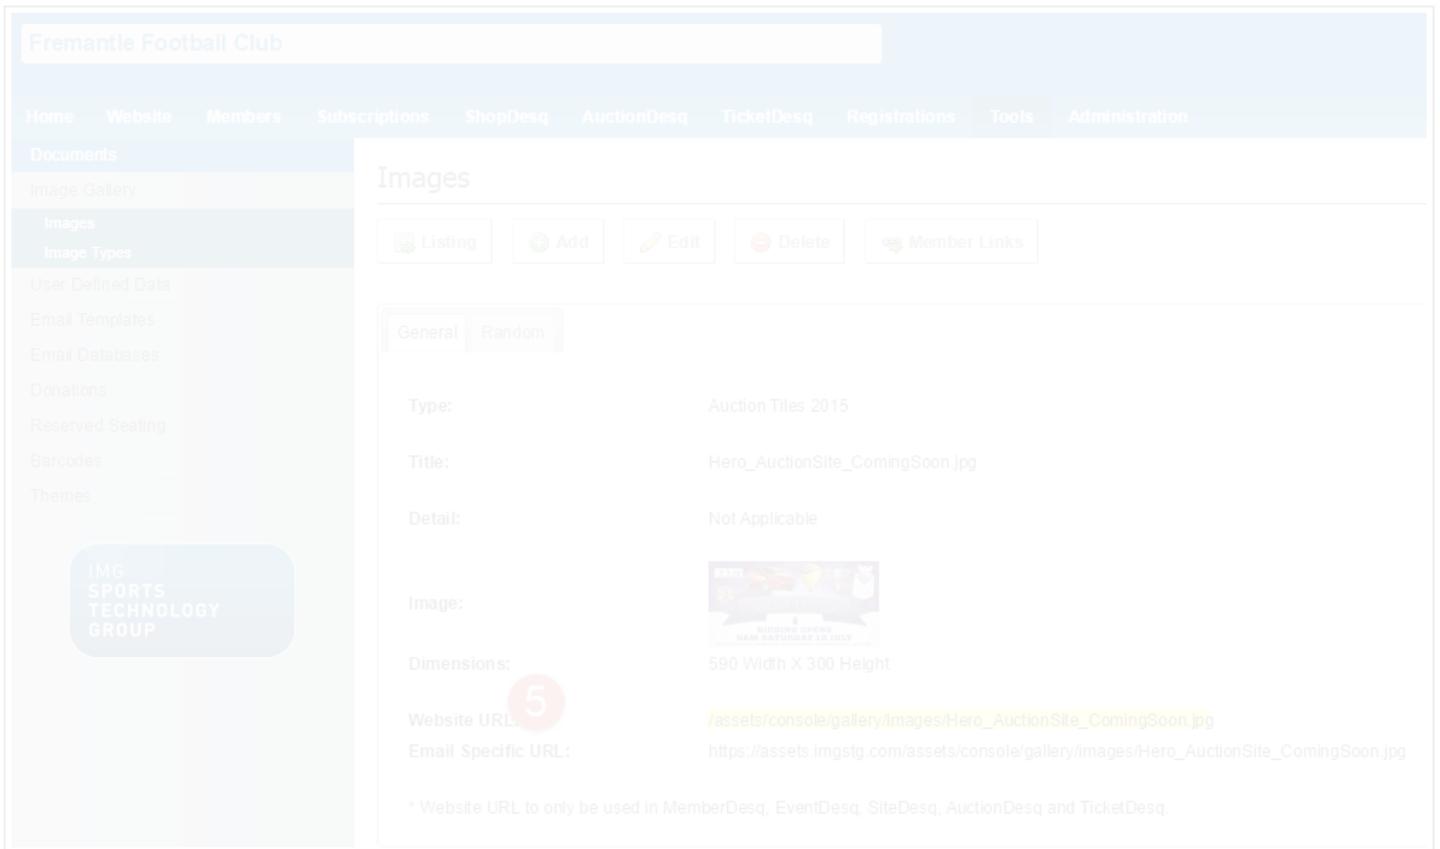

Once that has been uploaded you **Copy** the asset that is provided ie. /assets/console/gallery/images/Hero\_AuctionSite\_ComingSoon.jpg

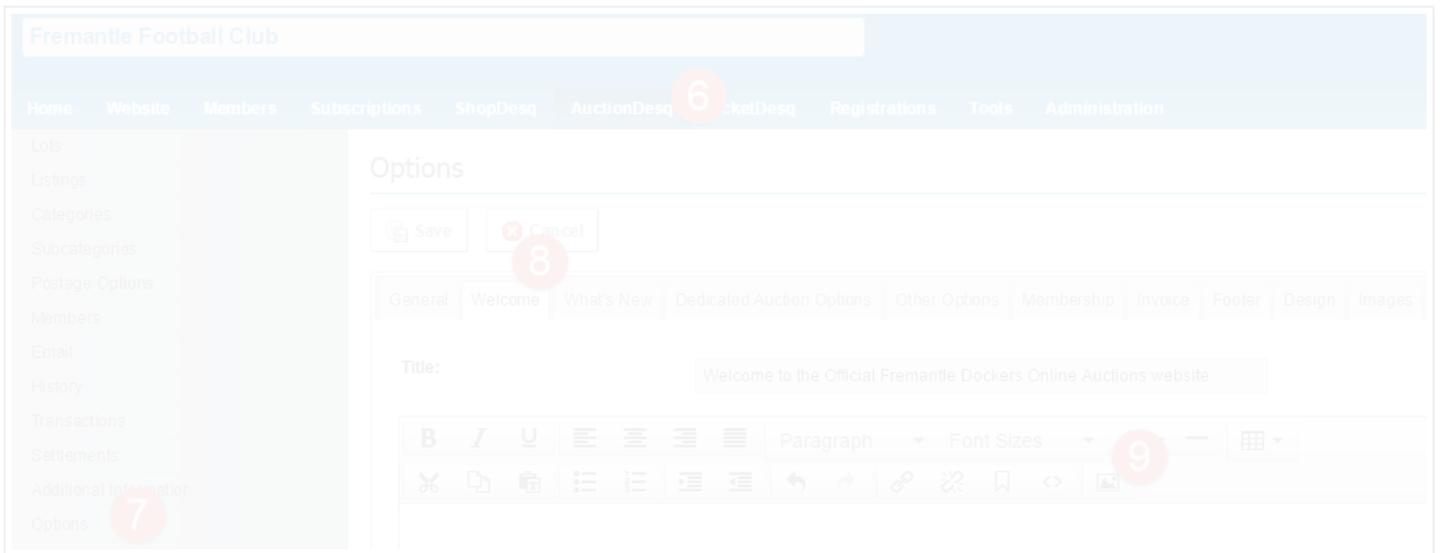

This is found when you click on the **IMAGE TITLE**

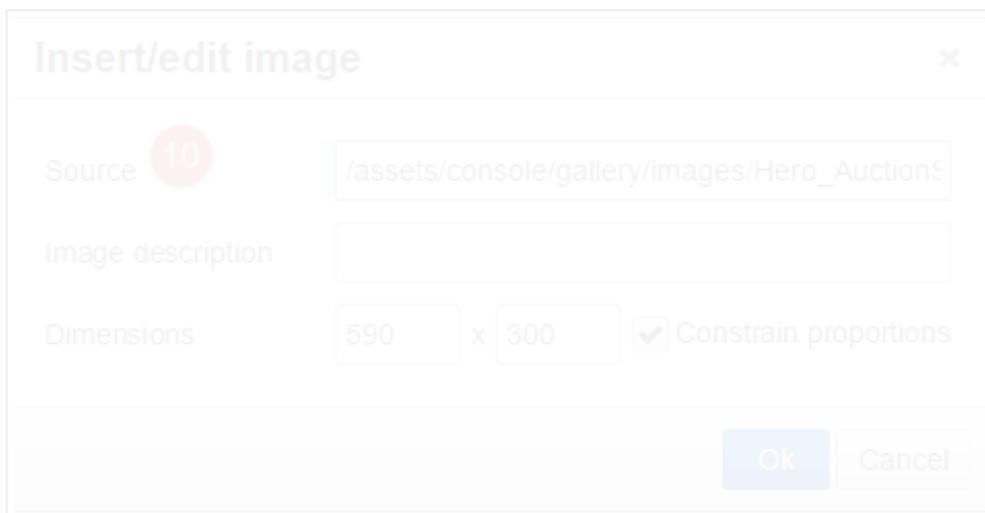

Then Copy the Website URL

To add the image into your Welcome message page, go nto the Auction Portal by Selecting **AUCTION**, then **OPTIONS** and then **EDIT** then **WELCOME**. To Add the image select he **IMAGE ICON**.

Include the **ASSET** where it says **SOURCE**

Then **OK**, and press **SAVE**

It may take a moment or so for the image to appear on the site depending on what browser you are using.

Try refreshing your Auction url page or clearing your cache if it hasn't appeared in 10 mins.
